## Santa Cruz Provides Excellent Service

*"Santa Cruz lived up to their promises and has a dedicated HR support person on hand daily to handle all of our post enrollment billing, claims and employee questions. That service is invaluable and it makes an HR directors' life at work easier when they can turn to someone other than the carrier for answers and help." Expotel USA, Angela Williams, Corporate Human Resources Director/, New Orleans, LA, 800 employees. October, 2009*

*"Charlotte Santa Cruz presented her products and services to our company and pulled everything we needed under one umbrella. The products, enrollment and support were exactly what was promised and we are looking forward to her team also being the HR support that is so desperately needed when voluntary benefits are implemented." New Orleans Cold Storage, R. Schmidt, Human Resources Director, June 2011*
